WHAT YOU WILL EXPERIENCE

- Why some students decode well but still struggle with comprehension
- How understanding the Reading Rope can optimize my instruction
- Is the digital age impacting students' cognition?
- Learn powerful strategies to enhance a child's deep reading brain

WHO SHOULD ATTEND

The following groups will benefit from this session:

- Parents and family members who have a loved one who struggles with reading
- Educators, Learning Specialists, School Administrators
- Speech-Language Pathologists, Psychologists, Counselors, Tutors

PRESENTERS

- Sharon Calvino, MS, CCC-SLP, Camperdown Academy Learning Specialist
- Sarah Lombardi, MSP, CCC-SLP

About Camperdown Academy

Founded in 1986, the non-profit school serves children in grades 1-8 who struggle with dyslexia. A schoolwide 3:1 student to teacher ratio allows a multisensory approach to instruction to be individualized based on the learning profile of each child. The school also provides ongoing education and training for professionals and parents.
