

UNIVERSITY OF  
**SOUTH CAROLINA**

## Routes to Reading Comprehension: Language, Knowledge and Strategies

The Department of Communication Sciences and Disorders at USC is presenting a morning session that will offer select strategies for supporting the comprehension of struggling readers.

This free session is designed for educators and parents who desire additional knowledge and strategies to promote literacy development and better understand the important influence of oral language on reading comprehension.

*(A certificate of attendance will be available for those seeking professional development hours)*
