### ***About Camperdown Academy***

*Founded in 1986, the non-profit school serves children in grades 1-8 who have average to above-average intelligence, but struggle in the areas of reading, organization, language processing, and written expression. With a 1:3 teacher/student ratio, learning is individualized and students are taught using a multi-sensory approach to teaching known as the Orton-Gillingham Approach. Camperdown Academy is a member of the International Dyslexia Association (IDA) and supports ongoing education and training for professionals and parents throughout the Upstate.*
