WHAT YOU WILL EXPERIENCE

How does it feel to have a learning difference?

Experience firsthand the frustrations and feelings of failure that people with dyslexia encounter every day.

- How do you read a story when you can't remember the sound associated with each letter?
- What is it like when your hand won't write what your brain tells it to write?
- How hard is it to complete a task when you have difficulty tuning out background noise?

WHO SHOULD ATTEND

The following groups will benefit from this session:

- Family members who have a loved one with dyslexia
- Educators and school administrators
- Community professionals, counselors, tutors

**Certificate of Attendance provided to each attendee*

About Camperdown Academy

Founded in 1986, the non-profit school serves children in grades 1-8 who struggle with dyslexia. A schoolwide 3:1 student to teacher ratio allows a multisensory approach to instruction to be individualized based on the learning profile of each child. The school also provides ongoing education and training for professionals and parents.
