

## Camperdown Academy Tutorial Summer Work 2023 Am-M Groups

Student's Name \_\_\_\_\_

### Reading Requirements

Each student in Am-M Groups is expected to read two books over the summer. We strongly suggest that you read with your child every day throughout the summer. Your child and the tutor prepared a list of suggested books. Please use this list when choosing books.

### Writing Requirements

Your child is required to report on the two books read this summer:

1. **One report is a written assignment.** A page of detailed expectations for Written Book Report #1 is in the summer work folder and posted on Camperdown's website. For Am-M Groups, a copy of your child's most recent "Book Talk" (a written book report) has been included in the summer work folder as a guide.
2. **The second book is reported through a creative project.** The type of project your child can create is limited to the options listed on the Creative Book Report Project #2.

**To help you and your child accomplish this required summer work, we will send home:**

- A list of appropriate books for summer reading
- Directions for a written book report and a book report organizer
- Directions for a project-style book report

**Items your child should bring on the first day of school in August 2023:**

- The written book report
- The creative project book report

**Important: Students who do not complete the reading and reports by the start of school will be required to attend Friday School until the work is finished.**
